

MELTECA NATIONAL AVAILABILITY GUIDE

The Availability Chart below highlights the made-to-order decor and sheet size availability for Melteca. It also highlights Formica and Laminex HPL decor matches, samples and edging options, plus the national stock panel offer for the Auckland, Wellington and Christchurch Distribution Centres. Stocked decors listed are available on the nominated substrate, in the recommended finish and as single sheets. Order confirmations can be either emailed or viewed online, please call customer service on 0800 303 606 to change. Alternatively use our online portal for online ordering, price and order enquiries. For more information and an application pack, please contact weborder@laminex.co.nz

MADE-TO-ORDER GUIDELINES

Melteca finishes are pressed into the surface during the manufacturing process. At the time of ordering, Customer Services will supply a new dispatch date in the unlikely occurrence that the schedule is full. If you happen to choose a décor / substrate combination that has not been made, then some additional time for set up will be required. A dispatch date will be confirmed at time of order and verified on the Laminex New Zealand Order Confirmation.

Midnight / 12am Cutoff

NON STANDARD PRODUCT ORDERING

Non standard products are **Single Sided, Mixed Decors, Mixed finishes, other finishes and Formica branded LPL Australian decors**. Despatch dates to be confirmed at time of order and verified with an order confirmation. Order confirmations can be either faxed or emailed, please call customer service on 0800 303 606 to change.

Single sided board (Face 1) and **mixed décor** board can be produced. Providing that these finishes are in Naturale or Pearl, they will be part of the daily production schedule. If not, the weekend production schedule will apply. Orders must be in multiples of 2 sheets. Please note single sided and mixed decors will bow due to the uneven nature of the lamination, refer to the table below.

Mixed plate finishes are subject to a one off charge per order and a minimum order of 50 sheets is required.

Other finishes may be available, please contact Customer Services for details.

Australian décors may be available upon request. Please contact Laminex New Zealand for more information.

EDGING

Edgetape

Melamine Edging (Plain & Pre-Glued) is available in standard rolls of 100 metres with a lead time of 1-2 working days following the day of order (dependent on stock). Cut to length orders are available with a minimum order of 10 metres and in multiples of 10 metres. Melamine edgetape is priced at a per lineal metre rate. Please contact Customer Services for availability.

Screw Caps

Adhesive screw caps made from edgetape are also available please contact Customer Services for details.

Solid Edging

Solid Edging (Plain & Pre-Glued) is available in standard rolls of 50 metres for PVC, with a lead time of 1–3 working days following the day of order. Cut to length orders are also available with a minimum order of 10 metres in multiples of 10 metres. Solid edging is priced at a per metre rate.
